Dear Ms. Miller:

The Notice of Intent to Small Mining Operations, received by the Division on October 19, 2007, concerning the proposed small mining operation is considered to be complete. The reclamation surety is determined to be \$13,300.00. This was determined base on the following:

|                                  |             |
|----------------------------------|-------------|
| First Disturb Acre               | \$5,900.00  |
| 1.5 acres rounded to 2 acres, at | \$7,400.00  |
| \$3,700/acre                     |             |
| TOTAL                            | \$13,300.00 |

No mining related disturbance can be created until the reclamation surety and reclamation contract is received and approved, and you have written approval from this office as well as other applicable agencies.

The reclamation surety can be submitted in one of several forms, including cash, an irrevocable letter of credit, a certificate of deposit, or a surety bond.
